

Smile Style Dental Care Centre

Fantastic news.....Smile style has come second in the British Dental Association, Practice of the Year 2008

The Practice has been **HIGHLY COMMENDED** by the judging panel for an exceptional commitment to preventative dentistry. Over 1000 practices were eligible to enter this year's award. Along with Julie's 1000 word application we submitted press cuttings, photographs and patients testimonials. To ensure a consistent approach, each application was subject to a rigorous selection process! This was followed up by a visit from two of the judges to the practice. All the team at Smile Style are overjoyed to have been recognised with this prestigious award for all their hard work and dedication and we are off to London to receive a plaque at an award ceremony.
