

Smile Style Dental Care Centre

Smile Style in the community

Smile Style prides itself in promoting Oral health care to all age's and all levels. Stacy and Sarah have just visited a local nursery to give a fun and educational talk to the early years unit. All the children were given party bags with toothbrushes, stickers and certificates. A fun time was had by all.

Knowledge Update

Richard, Kirsty and Stacy have all completed a B.D.A course in Infection control. As a member of the Good Practice we pride ourselves in maintaining our high standards

Skin Update

We now have a skin scanner which can look at sun damaged areas. Jeni is now working Mondays and Thursdays and is offering natural facial peels and correction kits; which contain collagen and skin tightening ingredients. We can now treat Rosacea, Acne, Melasma as well as lines and wrinkles. Deep facial lines can still be treated with Botox.

Introducing..

Our third Hygienist Jolene. She is highly trained in prevention and maintenance of healthy teeth and gums. Jo works in other private practices around Staffordshire enabling her to bring a wealth of experience, expertise and knowledge to Smile Style. We also have a new qualified dental nurse and radiographer Sarah.

Welcome back..

Eleanor has returned from her maternity leave following the birth of Hugo. Hugo is now 10 months old and is blossoming!

Thank you!!

For your patient referrals and continued support. We really do appreciate it.
